

Deer Valley Pilots Association-Quarterly Education Meeting & optional Dinner

Learn about preventative aircraft maintenance, what you are allowed to do, how to keep records and the performance requirements. Additionally, get tips on performing maintenance and the tools required. Save money by performing your own preventative maintenance.

*Optional dinner (your cost) starts at 18:00 (6pm). Discussion starts at 19:00 (7pm).

Directions: Park in the terminal lot, proceed to the Terminal Restaurant, meeting room west side of the Restaurant.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
